Creating balance in leadership worldwide*

**THE ATHENA AWARD** is presented annually by chambers of commerce, women's organizations and universities. The award is established through local host organizations in partnership with ATHENA International's national underwriters, local businesses and individual sponsors.

"What is honored in a country will be cultivated there." - Plato

These words by Plato underscore the philosophy of the ATHENA® Award, a national program that recognizes the accomplishments of local businesswomen in their profession and community. ATHENA® Award nominees are distinguished business leaders who have achieved excellence in their business or profession, served the community in a meaningful way, and assisted women in reaching their full leadership potential.

Since the program's inception in 1982 more than 5000 awards have been presented in over 500 communities in the United States, Canada, China, Russia, the United Arab Emirates and most recently the United Kingdom. By honoring exceptional leaders, the ATHENA Award® Program seeks to inspire others to achieve excellence in their professional and personal lives.

### **THE CRITERIA**

ATHENA Award Recipients are individuals who

- Demonstrate excellence, creativity, and initiative in their business or profession.
- Provide valuable service by contributing time and energy to improve the quality of life for others in the community.
- Actively assist women in realizing their full leadership potential.

"It is my privilege to chair this committee because this internationally recognized award is a way to shine a spotlight on a Dallas woman who has made the most of her professional success by encouraging others and giving back to our community."

- Phyllis Farragut
