

DAVACO Employees Recognize 25th Anniversary with Activities that Reflect Company's Heritage
Month-Long Celebration Culminates with May 29 Founder's Day Festivities

Dallas, TX (May 27, 2015) – DAVACO, Inc. (www.davacoinc.com), the North American leader of high-volume programs for retail, restaurant and hospitality brands, announced today that the company has kicked-off a month long celebration to commemorate the company's 25th anniversary. Featuring weekly themes that encapsulate the values of the employees, the culture and the business, the company has developed a wide range of fun, healthy and charitable activities for employees each day throughout the month of May. DAVACO will officially recognize their 25th anniversary milestone at the Founder's Day Celebration on May 29, 2015, which will be held at the company's corporate office in Dallas, Texas.

"25 years of delivering quality service and innovative solutions for retail, restaurant and hospitality brands is a significant milestone that was made possible only as a result of our employees, our partners and our commitment to customer service," said Rick Davis. "I am blessed to have the opportunity to share this achievement with both the DAVACO employees and the community of Dallas—which has been our home since 1990."

In tribute of the company's history and long-standing principles, the celebration includes weekly themes that highlight the employee's commitment to: Charity, Community & Sustainability; Health & Wellness; The DAVACO Way, and History in the Making: A Spirit for Success. Employees have already completed a food, clothing and book drive benefitting the North Texas Food Bank (344 lbs. of food/287 meals), The Salvation Army and the Dallas Public Library, as well as participated in Dallas's Reverse Litter Program, "Ten on Tuesday". The company also sponsored a 2 mile "fun walk" at the corporate office, healthy snack day, and "drink more water" pledge with DAVACO –branded reusable water bottle giveaway. And, to reinforce the company's key customer service philosophy, The DAVACO Way, employees reviewed what it means to exceed expectations, recognized colleagues for great customer service, and participated in "thank a client" day.

"These activities are a true testament to who we are as a company, and a special way to enjoy the accomplishment of 25 years," said Davis. "DAVACO has a very special legacy, and we look forward to a bright and successful future."

Founded in 1990, DAVACO is based in Dallas, Texas and operates offices near Toronto, Ontario. DAVACO employs over 1,000 W-2 and T-4 employees across North America.
