RESEARCH AND INNOVATION

The Dallas Regional Chamber maintains a robust and dynamic research and innovation program that is a recognized voice for the Dallas region's business community.

PRIORITIES

- Ensure that Chamber leaders, the larger business community, and other key decision makers have ready access to information resources that support economic development activities, public policy, talent pipeline and attraction, and other Chamber initiatives.
- Create research products that tell the "DFW Story," including the breadth, quality, and successes of the DFW community, locally, nationally, and internationally.
- Support the launch and growth of innovation activities by connecting entrepreneurs, innovators, researchers, and the business community.
