**CC Young**

## CC YOUNG

Founded in 1922 as a nonprofit to provide a home for “aged women and widows,” CC Young has grown into a 20-acre campus with 470 residents, both men and women. Services include independent living, assisted living, skilled nursing, long-term care, adult day stay, rehab, memory care, hospice, home health, and home services. Its mission is to foster premier environments where every life at every age is valued and enriched.

### Board Decision Timeline

**Education Opens Doors**

## EDUCATION OPENS DOORS

Founded with the belief that all students deserve the opportunity to pursue their limitless potential, Education Opens Doors equips students, beginning in middle school, with college knowledge via the Roadmap to Success program. The organization provides a comprehensive college and career program that raises self-expectations, increases confidence, and builds skills in students who lack access to this critical information. It also trains and supports teachers who integrate these lessons into their academic curriculum.

### Board Decision Timeline

Onboarding in May, timeline is flexible, as needed.

### Requirements

- Quarterly meetings, monthly committee or project support, as needed
- Must give a financial commitment significant to them

**Encephalitis411**

## ENCEPHALITIS411

Encephalitis411 aims to improve the quality of life for those impacted by encephalitis, a disorder that inflames the brain and typically causes life-long consequences. Through a three-pronged approach of research, awareness, and advocacy, Encephalitis411 seeks to increase awareness and advance research of this life-threatening, life-altering brain disorder. Backed by physicians across multiple disciplines at major institutions, this nonprofit provides an unmet need for clinicians and patients in the U.S.

### Board Decision Timeline

Submit application, phone interview with subset of board members, board vote.  
Timeline: 3-6 weeks, depending on availability of the existing board.

### Requirements

- Minimum of 6 conference calls, 1 in-person meeting per year, chair 1 initiative
- \$350 - \$500 per year

**Joe E. Castaneda**  
*President & CEO*  
**Turtle Creek  
Recovery Center**

## TURTLE CREEK RECOVERY CENTER

Serving more than 600 clients per year, Turtle Creek Recovery Center works with “dually diagnosed” patients – individuals suffering from both a mental illness and an addition to drugs or alcohol. By collaborating with other agencies, clients gain access to detoxification, psychiatric evaluation and medication monitoring, primary health services, health education and risk reduction, arts programming, and other life-enhancing services. A state licensed, master’s level clinician is responsible for each client’s treatment plan.

### Board Decision Timeline

30-60 days for nomination, review, and vote by the full board

### Requirements

- 6 meetings per year, assist/support fundraising events and special projects
- Financial support of the agency, but no minimum amount is required
