

THE SPACE

Plan for assessment and ongoing refinements.

Design to implement client's unique reentry program and new Office Protocols.

These may include :

- Temperature Screening
- PPE Distribution
- Cleaning Stations
- Isolation Area
- Phased Workforce
- Food and Beverage changes

THE SPACE

- **6' SEPARATION** – for all seating locations: open area, meeting rooms, lounges
- **BARRIERS** – clear screens, desk dividers, floor screens or curtain systems
- **12' CLEARANCE** – at intersections and corners
- **WIDER CORRIDORS** – and consider one-way traffic
- **MULTIPLE ENTRY POINTS** – at open work areas, lounges and large rooms
- **DESIGNATED ENTRY POINTS** – entrance only and exit only
- **COLLABORATION AREAS** – redesigned now for distanced, private non-desk work
- **SOCIAL SPACES** – less staff on-site can leave more room for safe gathering
- **MEETING ROOMS** – limit occupants, modify to private spaces, wellness, or isolation room
- **GALLEY COUNTERS** – added furniture or millwork hydration stations
- **TOUCHLESS** – main entrances, restrooms, break rooms. Automatic or hardware add
- **CLEANING STATIONS** – hand sanitation stations and cleaning supply kits
- **ANTI MICROBIAL AND DURABLE FINISHES** – for high touch areas
- **UV C LIGHTING** – continual cleaning of high touch areas when unoccupied
