

# Fortune 1000

Dallas-Fort Worth continues to draw Fortune and Global 500 headquarters through growth and expansion of local companies and by attracting relocations. DFW is the only region in the U.S. to host three Fortune 15 companies (Exxon Mobil, McKesson, and AT&T). These three DFW companies are also among the Global 50, second only to Beijing in number (Seattle also hosts three Global 50 companies).
