

Demographics

Demographics in the Dallas–Fort Worth region continue to evolve. More than 19 percent of the population is foreign-born, with Hispanics accounting for the largest minority group in the region and state. Additionally, the region’s workforce is well-educated with a mix of recent graduates and workforce veterans. Nearly two-thirds of workers 25 years of age and older have at least some college education, with nearly 40 percent holding a bachelor’s degree or other advanced degree.

In the Dallas-Fort Worth area, more than **1,300,000 residents** were added since the 2010 census.

11,300,000 or more will live in DFW by 2045.

267 people per day were added to the Dallas-Fort Worth region in 2021.
