The Dallas Regional Chamber (DRC) works hard each day to help make the Dallas Region the best place in America for all people to live, work, and do business. Our important, mission-driven work is a team effort—and what a team it is! Our 700-plus member companies along with community partners join forces with our 55 talented and dedicated staff members to make it all possible.

The DRC’s programs and events are important ways we advance our mission. They’re innovative and timely, bringing together high-caliber subject matter experts and thousands of attendees to have the conversations that help keep our member companies on the leading edge of business to propel our region forward.

In 2024, the DRC will host hundreds of events linked to our new three-year strategic plan, “Building Tomorrow Together.” Under this plan, we’ll build on the momentum generated in recent years and focus on prosperity and economic development; education, talent, and workforce; public policy; and diversity, inclusion, and community engagement.

This DRC 2024 Events and Programs Prospectus provides our members and investors the opportunity to identify sponsorship, marketing, and branding opportunities that align with the audiences they want to reach and the causes that matter most to them.

We hope the information on the following pages will be useful during your budget planning for the year ahead, and we look forward to working with you to align the many benefits of sponsorships to meet your 2024 goals.

We are excited to explore new opportunities and ideas with you at DRC events throughout the year ahead. We look forward to working with you to make the Dallas Region even better tomorrow than it is today.

All my best wishes,

Dale Petroskey
