

International Companies

The Dallas-Fort Worth region is home to an impressive group of foreign-based subsidiaries that host North American headquarters or major operations. International corporate investment in the region reflects the strength and diversity of the DFW economy and stellar access to U.S. and global markets, especially through Dallas Fort Worth International Airport. The Financial Times and Nikkei's 2024 Investing in America report ranks three DFW cities—Plano, Irving, and Dallas—among the top 5 best in the U.S. for foreign multinationals to do business.

EB-5 Investment Visa Program

The EB-5 Investment Visa Program is the immigrant visa category for foreign entrepreneurs and investors. EB-5 allows a foreign national to obtain lawful permanent resident (LPR) status in the United States for self, a spouse, and unmarried children under age 21 in return for making a qualified investment in a U.S. enterprise. Program authorization runs through 2027.
