4th Annual Book Drive

REMINGTON COLLEGE

As we enter the season of giving, we are excited to announce our Annual Remington College Literacy Campaign Book Drive!

This year is the 4th annual Remington College book drive, last year we collected 14,786 books across all our locations for young children and teenagers to read, let's make this year even better! The Toys for Tots Literacy Program was established in 2008 as a year-round effort to offer our Nation's most economically disadvantaged children the ability to compete academically and to succeed in life by providing them direct access to books and educational resources that enhance their ability to read and communicate effectively. Literacy forms the foundation of communication and impacts many areas of a child's life such as learning, interacting with others, and their ability to work later in life.

The campaign will run from November 2 to December 2, 2026. All that is needed of you is to purchase a NEW book appropriate for ages 3 years old to 16 years old. Deposit the book in the collection box at your campus. The books need not be wrapped.

For those of you who work remotely or attend the Remington College Online Campus, you can purchase your books from Amazon and have them delivered to the Dallas Campus located at 9451 Lyndon B Johnson Fwy Suite 200, Dallas, TX 75243.

The book you donate will bring the joy of reading to those less fortunate while providing an important tool to help break the cycle of poverty. Reading opens minds and doors!

HAPPY SEASON OF GIVING
